Profile

I am a Junior UX/UI designer adept in all stages of interface design. Finished several web design courses. I have a well-structured foundation and fundamental knowledge of the basics of design.

Able to effectively self-manage during projects, as well as collaborate in a team setting. Ready for any difficulties. Open for any applications, feel free to contact me.

Employment History

Junior UX/UI Designer, WebIndustry, Kyiv

JANUARY 2022 – AUGUST 2022

- Assisted the lead designer with day-to-day tasks.
- Successfully completed design project with a high level of customer satisfaction.
- Handled communication with clients.
- Worked to solve a number of problems.

Education

Web Design Beginning, Projector Institute, Kyiv

SEPTEMBER 2021 – NOVEMBER 2021

In two months, I dealt with the main set of tools and principles of work in Figma. Got acquainted with the basics of working with text, creating layouts, using a grid, and working with graphics. I gained knowledge through practice and immediately used my skills in projects.

Web Design Junior, Projector Institute, Kyiv

DECEMBER 2021 – MARCH 2022

I mastered the basic techniques, principles, and methodologies of web design. Was deepened my knowledge of typography, layout composition, and working with color. I was working with animation and complex interfaces. Learned how to work with documentation and submit layouts for development.
